Your Multi-Trade Refrigeration Resource

Black & McDonald

**Refrigeration
Division**

Is Refrigeration Your Critical System?

If your organization depends on refrigeration technology, Black & McDonald can be your strategic partner. With specialist expertise in all major trades, and a strong track record of success in recreational, industrial and foodservice industries across Canada, B&M is a key resource in the industrial refrigeration industry.

Our services include:

- System Design
- Commercial Contracting
- Retrofit, Repair and Installation
- Preventive and Full-coverage Maintenance Agreements
- Facility Management & Operations
- 24-hour Emergency Service

Our expertise covers current technology:

- Ammonia & Freon
- Screw & Reciprocating Compressors
- Single & Multi-stage Systems
- Control Systems

Black & McDonald is an integrated, multi-trade contractor, serving government, institutions, industry and commerce. B&M is committed to providing high-quality, innovative solutions to the complex demands facing our customers.

The bottom line? Depend on B&M to take responsibility for all aspects of planning, design, maintenance, upgrades and ongoing facility management and operations.

Your Single Source Specialists

Black & McDonald's success and long service to the refrigeration industry reflect our basic principles of honesty, integrity and customer service. Our people understand your facility's needs -- today and tomorrow. We make sure those needs are properly communicated. And we do the job right.

Preventive and Full-coverage Maintenance

The benefits of preventive maintenance are well known: beyond breakdown avoidance, preventive maintenance is central to reliable service and cost-efficient machine operation. Black & McDonald offers maintenance agreements tailored to meet the specific needs of different systems and owner priorities. We combine the right level of maintenance for your equipment with certified, genuine OEM quality replacement parts for all major equipment manufacturers, including Mycom, Frick, York, Vilter, Blanchard-Ness, Imeco and Evapco.

24-hour Emergency Service

Black & McDonald's reputation for providing the best emergency service in the industry is widely recognized.

Retrofit, Repair and Installation

New installations, additions or changes to existing systems demand extensive knowledge, encompassing all major brands and systems, and resources that cover every major trade and specialty in commercial contracting. Black & McDonald has this high level of expertise on staff, ready to meet your toughest challenges.
