

Cassidy's Industrial Contractors

For Challenges Beyond the Ordinary

A Subsidiary of Black & McDonald Limited

Foundation for Success

Since, 1989, **Cassidy's Industrial Contractors** have upheld their reputation for adding value to their customers' businesses. With unmatched experience and expertise in specialized process industries, both their customers and OEMs have relied upon them for innovative solutions to complex and challenging millwright and rigging installations.

Cassidy's surpasses customer expectations:

-  Strategic planning for successful results
-  Key dedicated and talented employees
-  Hands-on experience - achieving what seems impossible
-  Customer service with respect and response
-  Project management - delivering quality workmanship safely and cost-effectively

QA

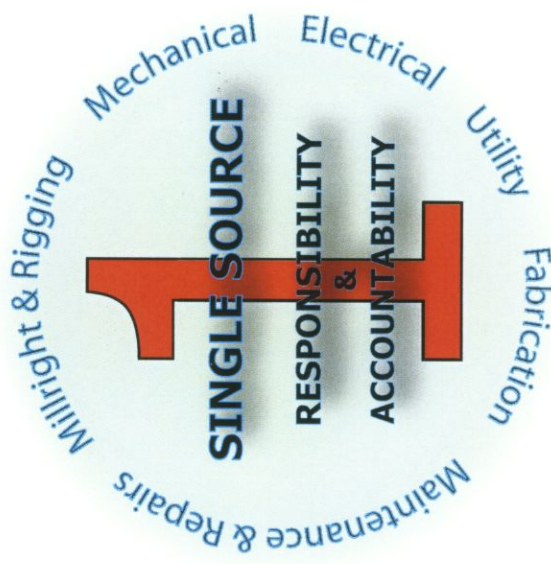

Successful Quality Assurance Programs with extensive experience in complex industrial installations such as: Nuclear and Thermal Power Generation, Pulp & Paper, Petrochemical and Offshore Oil & Gas.

Our QA programs meet, but are not limited to the requirements of:
 Qualified CWB Welding Program (CSA W47.1 & W47.2M)
 A.S.M.E. Section 1 Appendix A-300 (CSA B51)
 CSA/CAN3 Z299.0-86 to (levels .2, .3 and .4)
 ISO 9001-2000

Better Together...

- Prime Contracting
- Project Management
- Maintenance Services
- Equipment Installations
